BESPOKE TURNKEY SOLUTIONS

ABOUT US

Established in 1996, Gray Space has been a trusted partner in Dubai's interior design, fit-out, and building contracting industries for nearly three decades.

Evolving from the Chirag Group of Companies, we have grown into a full-service provider with a commitment to world-class craftsmanship, ethical practices, and unparalleled client satisfaction. At Gray Space, we turn imagination into reality by combining innovative designs with meticulous execution to deliver spaces that inspire.

Our team of over 70 designers, engineers, and technicians brings a wealth of experience, working closely with clients to transform ideas into carefully crafted spaces. With dedicated employees and partnerships with top manpower suppliers across the GCC, we are equipped to handle projects of any scale with precision & care.

BESPOKE TURNKEY SOLUTIONS

OUR VISION

To redefine industry standards by becoming the most trusted name in interior design, fit-out, and building contracting across the UAE, delivering spaces that inspire through innovation, integrity, and excellence.

OUR MISSION

To bring our clients' visions to life by offering personalized, high-quality solutions that embody trust, meticulous craftsmanship, and world-class service at every stage.

CORE VALUES

Trusted

Building lasting relationships through transparency and reliability.

Ethical

Upholding the highest standards of fairness and integrity in all our work.

Dependable

Meeting promises with consistent, high-quality results.

Personalized

Adapting solutions to reflect each client's unique needs.

Flexible

Evolving with client requirements for a truly adaptable approach.

Service-Oriented

Placing client satisfaction at the forefront of everything we do.

Detail-Oriented

Ensuring every element is executed with precision.

Systematic

Following a structured approach for seamless project delivery.

Scalable

Providing solutions that grow with our clients' ambitions.

CORE SERVICES

Gray Space offers an extensive suite of design, build, and fit-out services, designed to cater to both residential and commercial clients with a focus on quality, efficiency, and lasting impact.

BESPOKE TURNKEY SOLUTIONS

Interior Design

Bespoke interior design services for residential and commercial spaces.

Fit-Out Solutions

End-to-end fit-out services including MEP, carpentry, and painting, delivering turnkey solutions.

Joinery & Carpentry

Custom joinery work and fire-rated doors tailored to project requirements.

Building Contracting

Comprehensive building contracting services for full buildings, from concept to completion.

Refurbishments

Complete refurbishments to renew and elevate existing spaces.

Project Management

Systematic, streamlined project delivery from concept to completion.

OUR WORK

SHOWCASING EXCELLENCE ACROSS PROJECTS

At Gray Space, each project represents our dedication to quality, innovation, and precision. Over the years, we have collaborated with clients across diverse sectors, delivering exceptional results tailored to their unique needs. Below is a selection of our key projects that demonstrate our expertise and commitment to excellence.

RESIDENTIAL PROJECTS

Our residential projects are designed to blend functionality with aesthetics, ensuring that each home is a reflection of our clients' vision. From residential building to high-end villas to multi-unit townhouses, we bring precision and detail to every space we build or transform.
